

SUCCESSFULLY SHAPING THE FUTURE OF WORK IN YOUR ORGANISATION: HOW TO GO DIGITAL YET STAY HUMAN IN A WORLD OF DISRUPTION

DATE AND LOCATION

London (UK)

December 6th, 2018

Stay relevant in a world of disruption: join Kronos, Christian Kromme – author and futurist keynote speaker - and your industry peers to jointly explore the key areas that business leaders need to focus on to futureproof their businesses in a world of disruption.

Gartner predicts that AI could destroy 1.8 million jobs while at the same time creating a total of 2.3 million new jobs. A work environment that connects humans and technology in the right way is, therefore, a key pillar to success. During this dinner, we will explore some of the areas that AI will deliver to bottom line performance and what role your employees need to play in the future of your business.
